ABOUT

I am a passionate and curious coder thriving on complexity. Extremely driven by learning new things, I like challenging myself and advancing on a personal level. I am energetic and skilled to come up with innovative solutions.

EDUCATION

NMIT, BENGALURU
B.E. in Computer Science and Engineering
2017-2021 | CGPA: 9.02

FATIMA SCHOOL
Intermediate/+2(CBSE)
94 percent

FATIMA SCHOOL
High School(CBSE)
10 CGPA

TECHNICAL SKILLS

- **Languages:** C++(Proficient), C, Javascript, Solidity
- **Web Dev:** React.js, REST, MySQL, web3.js, Express.js, Swarm
- **Tools and Platforms:** Git, Postman, Ethereum, Tezos
- **Data Structures and Algorithms**

ARTICLES

- Experience with Tezos dApp dev.
- Introduction to IPFS
- Bitcoin's Whitepaper Explained.

SOFT SKILLS

- Leadership
- Problem Solving
- Quick Learner
- Flexible and Adaptable

INTERESTS

- Football, Cricket
- PC Games (FIFA)
- Cooking

LANGUAGES

English, Hindi

EXPERIENCE

CISCO | Software Engineer
Aug 2021 – present
- Working as a front-end web developer on Webex Instant Connect.

CISCO | Technical Undergraduate Intern
Jan 2021 – July 2021 | Remote
- Worked as a front-end web developer on Webex Instant Connect.

DEVFOLIO | Ethereum India Fellow
June 2020 - July 2020 | Remote
- Worked with mentors from Ethereum and Matic to explore various aspects of Ethereum Blockchain.

IIT BOMBAY | FOSSEE Fellow
May 2019 – July 2019 | Mumbai, India
- Developed a job hiring portal along with certificate verification on Ethereum blockchain.

PROJECTS

THE REMOTE DOCTOR Github
March 2021 – Present | Ethereum, React.js, Node.js
